FOR YOUR CAR, TOO!

You can give your car the same protection against wear that the Army gives many of its "Jeeps", tanks and other vehicles. Just see your nearby Sinclair Dealer. He has Sinclair lubricants of the same quality used by the U. S. Army.

To save wear on your engine, ask for Sinclair Opaline Motor Oil. Opaline stands up better and lasts longer because it is de-waxed and de-jellied. Have your Sinclair Dealer drain and refill your crankcase with Opaline every 1,000 miles.
